Section Leaders:

Each section is run by a dedicated team of volunteer Leaders, assistants and helpers. You will be introduced to your child's leadership team on joining. Young leaders also have an important part to play in each section.

Adult volunteers are an integral part of our Group and enjoy all the fun and adventure that Scouting has to offer. We offer flexible volunteering opportunities so if you'd like to join us either as a helper, leader or an activity instructor please don't hesitate to contact us.

Admissions:

Please contact Jenny Harlow for any information as we have an admissions list for your people wishing to join the group

Once a member of the group, young people are guaranteed a space in the next section as they progress.
