Squirrels. The newest branch of the Scouts family tree. Where 4-6 year olds can join in too.

Our programme supports informal learning, working together and creativity. Squirrels get active, explore nature and have fun with friends.

We need volunteers to help us launch a Squirrel Drey on Tuesdays at the Scout Hut on Cock Lane.

Working as part of the leadership team you will organise and run fun games and activities. Our training scheme and network of experienced leaders will support the team to set up and start running sessions.
